Ossipee Public Library Presents:

Thursday, May 21st at 4pm

Presented by Marianne O'Connor
In this hour-long presentation, I'll share the stories behind memorials for Lizzie Bourne, Father William Curtis, Nancy Barton, and others. By reflecting on these lives, we honor their memories and learn valuable lessons from their experiences. I began researching the death markers on Mount Washington, New Hampshire, in 2019 while working on the second edition of "Haunted Hikes of New Hampshire."
